Dear Parents/Carers,

Our Compost Team

We have several children determined to ensure we create as much compost as possible for our school. However, they need your help! We have a very unusual request...if you cut your grass, please can our team have your grass cuttings. They will add this to our animal bedding and then learn how to make compost for our beds around the school.

If you can donate your grass cuttings, please can you leave in a bag by the key stage two gate and our team will do the rest. Thank you!

World Book Day

Ash Class

Ash Class had a fantastic trip to Goodwood Home Farm at the end of February. We saw sheep, cows and pigs and even got to stroke a newborn lamb. We learned all about the crops that grow in this area and how they are used, as well as about the complex workings of a farm! In the afternoon, we did over 7,000 steps walking through the beautiful woodlands, that are part of the Estate, and hiding from the teachers in the Goodwood "Salad Bowl"

Thanks to all the teaching assistants who came along, as well as Paisley's mum for adding an extra pair of hands!
