14th September 2022

Dear Parents/Carers,

As part of our Petworth History Week, next week, Rowan class will be taking a walk around Petworth with a visit to Petworth Cottage Museum. This visit will take place on **Thursday 29th September** and is covered by our local visits consent.

Our class focus is “Petworth through the eyes of a child”. We will encourage the children to think about how the buildings and streets they see and walk along were seen and trodden by children over time. They will learn how the buildings have changed in use, and using photos to see how specific locations looked different 100 years ago to how they see it today.

We will visit use photos to compare the life of children in the past to how they live their own lives today.

In the Cottage Museum we will think about what it might have been like to grow up in a home like this.

Full school uniform must be worn, but please wear sensible shoes for walking, (this may be trainers) and don't forget to bring a coat.

Yours sincerely
