Dear Parents/Carers,

We would really appreciate some help caring for our animals over the Summer holidays. Sadly, all our chickens have now died so we are only homing the goats, sheep and ducks. Care is simple, just feed and water once a day, ideally earlier in the day during warm weather.

While on site children may of course use the facilities and collect any vegetables from the polytunnel.

If you are able to help, please indicate your preferred times below. The lock will be a number code which you will be texted at the end of term.

As ever, if you encounter any issues you can message me, Mrs Wiggs, on 07769 332631.

With thanks.

Kind regards

Clare Wiggs
