

Thank you for taking part in our Lantern Making Workshop

We invite you to join us on **Friday 10 June** for the

CARNIVAL OF LIGHTS

Gather at Priory Park from 5pm to enjoy fun crafts and activities before we depart at 6pm.

Led by samba band, *Bateria Brasoc*, we will parade with our sea of lanterns through the streets of Chichester to the Canal Basin where we will celebrate with performances, activities, food and more!

Celebrate with us and join the party as you parade with your friends!

The walk is expected to take 30-40 minutes and is wheelchair accessible.

You can find the parade route overleaf, alongside our suggested parking spots.
