Dear Parent/Carer,

Sex and Relationship Education (SRE)

During this half term, Elm class will be taking part in Sex Education lessons as part of the PSHE National Curriculum. Children will be learning about:

- Menstruation
- Conception
- Personal hygiene
- Media portrayal of sex
- Physical changes that occur during puberty
- Sexual activity within the context of a loving relationship

The materials and resources have been recommended by the SRE Advisor and follow guidelines from the DCFS (Department for Children, Families and Schools) for this age group. We endeavour to answer any questions children have about the topics above open and honestly, however, if their questions are unrelated to these areas or are inappropriate for class discussion, children may be directed to ask parents/carers instead.

If you have any concerns about your child participating in these lessons, or would like to view the resources being used please complete the slip below accordingly.

Yours sincerely,

Rob Neary
KS2 Leader
Elm Class Teacher
