16th June 2022

Dear Parents,

I would like to invite Jacob, George, Henry, Henry S, Archie, Freddy, Millie, Keyara and Aria to stay after school to meet representatives from Petworth in Bloom on Tuesday 12th July until 4.15pm.

The children will explain how they have changed the biodiversity around the school, all of the different jobs they have completed and how they have helped develop our school grounds. The children have been instrumental in ensuring the school grounds not only looks impressive, but have also tried to ensure there are different areas for learning e.g. wildflower meadows, mini orchards, compost bins.

Once the children have met with the representatives there will be cake, biscuits and a drink.

If your child can stay assist with this, please complete the form below.

Yours sincerely,

John Galvin
Headteacher

.....
Petworth in Bloom 12th July 2022
