**Transition Tea Party**

Dear Parents and Guardians,

The school is adding another transition event for new parents and children starting the school in September. The current Oak Class would like to invite you and to a tea party on **Wednesday 16<sup>th</sup> July at 3.15pm on the school field**. This will give you the chance to meet the new parents and to share any tips you have with them about starting school. It will also give your child the opportunity to meet the new children joining our school community and help the new cohort to make some new friends.

We will also be using this as an opportunity to celebrate all the progress your child has made in Oak Class as they will be assisting the planning process. They will be helping preparing the food beforehand, setting up the field, making decorations and you will receive a handwritten invitation from them at some point in the next half-term. This will be a fantastic chance for them to show off their developed skills in communication, language and emotional awareness.

Thank you for your continued support and partnership in your child's education.

Warm regards,

A handwritten signature in blue ink that reads 'Mlenharth'.
