Dear Parents/Carers,

Our animal care rota is now up and running for the new school year and we would be most grateful for any help you can give over the holidays and weekends. This requires just one visit per day to check water, feed and look at the overall health of the animals. Any eggs are yours to keep!

If you are able to help, please do pop into the Office for more detail, or talk to Mrs Wiggs. If you are happy to lend a hand, please do indicate any weekends you can help, or days over the half term, below. Keys are collected from the Office on the Friday before your allotted weekend.

Thanks in advance.

Yours sincerely

Clare Wiggs
