28th April 2026

Dear Parents/Carers,

On **Friday 8th May**, Oak Class are going to be celebrating Sir David Attenborough's 100th birthday. This term, the children have been learning all about Sir David Attenborough's job and his mission to protect the natural world.

On the day, we will be having a party and celebrating David Attenborough's life and accomplishments through games and activities to excite the children about protecting the world, cumulating the learning that the children have been doing over the last two weeks.

We would like to invite you to an exhibition to see all the hard work the children have been doing about Sir David Attenborough and the natural world. There will be chances to talk to the children about what we have been doing in our garden at school and find out all they have learnt. This will be 15:00 – 15:30hrs on the Friday afternoon. If there are any problems, please contact me.

We are also going to be raising money for The Sussex Wildlife Trust by doing a bake sale during our exhibition. We will be baking birthday cake cupcakes to sell during school time. Any more donations of cakes would be greatly appreciated.

I look forward to a day filled with learning and fun.

Many thanks.
Yours sincerely,
