16th May 2025

Dear Parents/Carers,

On **Tuesday 12<sup>th</sup> June**, Oak Class are going to be having an Arctic Exploration day. This term the children have been learning all about the Polar Regions and how they are different the UK.

This immersive experience will allow them to explore the culture even further through various activities and educational games. We encourage your support in making this day special for them by helping to prepare a simple explorer themed costume they can wear to school (it does not have to be winter clothes). As part of their learning, I would also like to encourage the children to pack a backpack with things that they would wear on an Arctic Expedition. Preferably, it would be the child packing their bags with your guidance.

During the day, we will also be completing our sandwich project and we are going to pack it in our bag for our adventure so can you include a named sandwich tub in their bag as well. We will be eating our sandwich at the end of the day.

I look forward to a day filled with learning and fun.

Many Thanks.

Yours sincerely,

Megan Lenharth  
Early Years Teacher
