4th October 2022

Dear Parents and Carers,

Our School Council have met recently and have discussed ways they would like to raise money for. The children have set themselves a huge project as they are extremely keen on using the cookery room, so in order to maximise its full potential, the children would like to spend time fundraising, to give the cookery room a revamp.

Therefore this year all fund raising done for school, organised by the School Council, will go towards developing the cooking space.

On **Friday 14th October** we are holding a Crazy Clothes Day! The children can come dressed in their craziest outfits. We kindly ask each child to bring in £2, which will go towards the new cookery room. Any additional donations throughout the coming months would be gratefully received.

If you have experience of revamping kitchens and could offer us some advice, please come and speak to us.

Thank you.

Yours sincerely,

Miss Langham and School Council
