Dear Parents/Carers,

Year 6 SATs Preparation

The Year 6 SATS exams are on Tuesday 9th May to Friday 12th May.

This year to help your child prepare for their SAT's exams, please could you ensure they have a good night's sleep and a relaxing morning before they come into school. I thought it would be nice and relaxing if all the children could have breakfast together in school from Tuesday 9th to Friday 12th May at 8am. The breakfast will be cereal, toast and fruit juice.

If your child would like to come into school for the breakfast, please could you return the reply slip to the office by **Thursday 4th May**. If your child does not want to attend the breakfast, please can you ensure they arrive in **school on time on Tuesday 9th to Friday 12th May, no later than 8.40am**, so they are prepared to take their SATs exams.

Your assistance is really appreciated.

Many thanks.

Yours sincerely,

Zoe Pennicotte-Henrie
