# Eco-School Action Plan

Pupils need to take the lead in developing the Action Plan

Date Action Plan was developed: September 2019

Action Plan developed by: Eco Warriors and Mrs Sandon-Webb

Topic	Action	Target/Measure	Timescale/ Deadline	Who is responsible?	Evaluation of action/ Actual result achieved
Eco Schools	To review and update Eco Schools Policy	To deliver a clear rationale about our schools aims and future development for being a successful and sustainable Eco School	May 2020	Mrs Sandon-Webb Eco Warriors	Eco schools policy was updated in May 2018 and is on a two year programme. The policy is on the website and is due to be updated in May 2020.
Eco Schools	To update the profile of Eco Schools on the school website and newsletter	To enable all school website visitors and all of our school community to read about current Eco school activities	Ongoing	Mrs Trewin	The school website is constantly updated with new information. Mrs Trewin adds on pieces of information and also ensures pertinent information is put onto school newsletters. Autumn 2019 – Link to Survey Monkey was added as some children would like to start a healthy tuck shop.

Topic	Action	Target/Measure	Timescale/ Deadline	Who is responsible?	Evaluation of action/ Actual result achieved
Eco Schools	To create a school eco-code	To work with the whole school community to create an eco-code.		Whole school community	September 2019 – Whole school came together in a competition to create a new eco-code. This code was then voted for over the course of a half term. All of the children then had the opportunity to vote on the Eco-schools board. Once the children had voted this was then whittled down to the top 2, who were then voted for by the Eco-Council.
School grounds	To continue using the allotments.	All classes to be able to grow their own produce and understand the importance of sustainability.	July 2019	Whole school community	Each class has an allotment.
Energy	To monitor the electricity production, through the school solar panels.			Eco warriors	The school had solar panels installed in June 2019, as part of a local authority scheme. Since then we have been able to monitor the amount of energy we are saving. In the spring term year 6 are going to be monitoring how much energy we are saving, through the mathematics curriculum, creating graphs and analysis.
Waste	To pledge to reduce plastic pollution	For all children to use re-usable water bottles. To create an eco-project reflecting our position on plastic waste.	Ongoing	Whole school community	Whole school community are encouraged to bring in their own water bottles.

<b>Topic</b>	<b>Action</b>	<b>Target/Measure</b>	<b>Timescale/ Deadline</b>	<b>Who is responsible?</b>	<b>Evaluation of action/ Actual result achieved</b>
Waste	To take part in waste week	To engage all children in the idea of waste. To enable all children to take part in reducing waste in the school.	Ongoing		
Litter	For children to continue to pick up rubbish in the school grounds	To create a litter free school grounds. To ensure that there is a reference to this in our schools eco code.	Ongoing	Mr Rowley Eco Warriors	
Transport	To promote walk, scooter, cycle to school	To reduce the amount of cars near the school. To increase the number of children walking to school.	Ongoing	Mrs Sandon-Webb	
Transport	To complete a travel plan	To gain a greater understanding of how the school community travels to school.	Ongoing	Mrs Sandon-Webb
