Dear Parents / Carers,

We are changing the way we tell the children about who they will be working with next year. Normally, we tell the children as part of our transition morning which will be on Wednesday 2<sup>nd</sup> July however, this year we have told the children today as we feel some children may benefit from being more prepared for the morning with their new teacher.

As you are aware, we are changing the structure of the school due to circumstances beyond our control. I have had the pleasure of speaking to parents who this new structure affects.

On **Wednesday 2<sup>nd</sup> July**, the children will be spending the morning with their new teacher, finding out about expectations and what activities, themes and topics they will explore for the coming academic year.

Miss Pennicotte-Henrie will continue to be our SENCO as well as covering our new nurture initiative. Mrs Mayne is off to pastures new and we wish her all the best in her next adventures.

We have already pencilled in many different class and whole school activities for the Autumn term. Not for one minute are we wishing the rest of this term, or the Summer holidays away, however, we know we have some excellent learning opportunities for our children to be inspired, nurtured and challenged with JOY at the heart of all we do.

Yours sincerely,
