18th April 2024

Dear Parents/Carers,

After half term, our topic in science will be focusing on sound. The children will be learning about how sound travels and what mediums allows this. To enrich their learning experience, we would like to take the children to Amberley Museum on Thursday 13th June for an immersive day of experiences, including exploring the telephone systems of the past and how telegrams were created.

We will be travelling to Amberley Museum on two minibuses, leaving school at around 9.30am and returning before the end of the school day.

The children will need to bring a packed lunch with them in a rucksack or bag that they can easily carry with them throughout the day. They need to wear school uniform but can wear shoes appropriate for the site and weather (no sandals please). They will need to bring a water bottle and weather-appropriate clothing e.g. a hat.

We are asking for a voluntary contribution of £8.25 per child for this visit payable on MCAS. By paying the contribution via MCAS, this is accepted as consent for your child to attend this trip. This covers the cost of the museum entry, minibus and the 'Communication Nation' workshop the children will be taking part in.

If you have any questions, please do not hesitate to let us know.

Yours sincerely
