31st March 2025

Dear Parents/Carers,

Thank you for your continued support with the animals. We are really grateful to all the families who take time out of their weekends to help us. We are now seeking help for the summer term and summer holidays. The holiday period has been broken down into weekends and weekday blocks but if you can offer any different times, please just indicate these on the form.

As ever, once on the site you are welcome to use the facilities and enjoy the space. During the summer, if the polytunnel is thriving, you can also pick the vegetables which are marked as "PICK ME"!

Please note that pigs are unable to regulate their temperature so must have fresh water daily in order to cool down, which should be given in the mornings (ideally) and the baby goats will, by then, be living with Murphy.

With thanks,

Clare Wiggs
