7th October 2026

Dear Parents/Carers,

Beech class will be visiting Bignor Park on the 13th October as part of our learning in Science and Geography. During the visit we will be walking through the grounds, looking at different habitats including ponds and heathland, and trying to spot the rare field cricket, which has been found there. We will also be looking at land use on the estate and how different pieces of land are used for different purposes.

The children will need to wear their own clothes (long trousers please) with a school jumper, and sturdy shoes for countryside walking. If the weather looks wet, please bring suitable wet weather gear. The trip will run from 1-3.00pm, so will not affect lunches or after school provision.

Please may I ask that a voluntary £3 payment is made, to cover the cost of this trip. By paying this via MCAS you are giving consent for your child to attend.

Thank you.

Yours sincerely

Clare Wiggs
Beech Class teacher
