5th March 2024

Dear Parents/Carers,

Coultershaw Heritage Site

Elm Class have been given the opportunity to visit the **Coultershaw Heritage Site at Coultershaw Bridge on Thursday 21st March** to see it working, learn about the local history and consolidate our recent learning about rivers. The children will be taking part in four different workshops during their visit to do with beam pump and its history.

We can do shuttle runs in the minibus from school over to Coultershaw Bridge, leaving school at approximately 9.40am and transporting the children back at 2.30pm; arriving back in time for the end of the school day.

The children will need a packed lunch (if you pay for your child's hot meal this will need to be cancelled) no glass bottles or fizzy drinks. Forest school clothes must be worn. Pocket money will not be required.

To enable this trip to go ahead we are asking for a voluntary contribution of £8 per child to cover the cost of the workshops. By paying the contribution via MCAS, this is accepted as consent for your child to attend this trip.

Thank you.

Yours sincerely
