2<sup>nd</sup> May 2023

Dear Parents/ Carers,

We are very excited to have been invited to Great Ballard School for the day on **Friday 12<sup>th</sup> May.**

Year 2 pupils from several different schools will meet together and will get the chance to:

- mix up materials and learn about their properties in their Science Labs;
- do some hands-on computer programming and robotics in their IT suite;
- work collaboratively to build amazing structures in their Forest School area;
- enjoy a creative workshop about famous inventors with inspiring local author Lucy Brandt <https://www.lucybrandt.com/>

The activities will start at 10am and run until 3pm. Transport has been provided. Due to the end time, we will be a little after the end of school finishing time. I would suggest you aim for 3.30pm collection.

Great Ballard will be providing snacks and a home cooked lunch for all children involved in the day. Please inform us of any allergies.

There is no cost for this event. Please return the consent form attached and money by **Tuesday 9<sup>th</sup> May.** We will not be in school, so this is not a PE day, therefore **school uniform must be worn.**

If you have any questions regarding the trip, please do not hesitate to contact us.

Yours sincerely

Mrs McGrath  
Rowan Class Teacher

.....  
**Great Ballard School STEM Activity Day on Friday 12<sup>th</sup> May 2023**

**Please return this slip together with money and consent form to the school office by Tuesday 9<sup>th</sup> May.**

Name of child.....

I agree to my child participating in the STEM day at Great Ballard.
