Dear Parents/Carers,

Oak Class Visit to Tilgate Park

On Monday 28th June, Oak Class had a fantastic day at Tilgate Nature Park. We spent the day exploring the different areas of the zoo, based on areas all over the world. The children enjoyed seeing all the animals and learning information about them. This allowed the children to see the differences between the animals from various climates and habitats.

This trip will support the learning about animals that we are doing inside the classroom. We are looking at jungles and arctic animals; comparing the two based on their habitat and camouflage. We asked questions about animals that we wanted to find out, which our trip to the zoo helped answer.

Ash Class

Bella and Sienna B displaying the immense cauliflower that Ash class grew from seed. We cooked it last week, at the children's request we made cauliflower cheese. This week we made beetroot chocolate brownies using beetroot that we had grown and eggs from the hens.

Maple Class

Maple Class have made mosaics using tiles and grout whilst learning about Roman homes and past times. We had to plan our designs and then think about the colours they would have used in their homes to show their wealth.

Staff Changes

Firstly, I must apologise I did not share this sooner. We have two members of staff move to pastures new for very different reasons. Mrs Ashton-Smith, who had a massive impact on developing our Forest School curriculum has moved onto another school to complete her teacher training. We all know Mrs Ashton-Smith will be an amazing teacher and we wish her the best in the next steps of her career.

Miss Ford has started her maternity leave as her baby is due in August. Again, this is an exciting time for Miss Ford and her partner. We wish Miss Ford all the best and we know she will not be a stranger as she is hoping to work with our school to develop her dance school.

Thinking of returning to your role as a healthcare professional? We can help you!

This message goes out to all parents, carers and members of the local community who may once have been a healthcare professional such as a nurse or midwife and now considering a return. Returning healthcare professionals have a key role to play in ensuring patients and service users have access to experienced and well-trained care staff equipped with the right skills. Health Education England (NHS) provide funding to support the pathways to return and are keen to support or answer any questions you may have if you are considering returning to perhaps nursing, midwifery or If you trained as an allied health professional (AHP) or a healthcare scientist (HCS) but have since left the profession.
